January 3rd, 2023

SUBJECT: Requesting your Generous Support for the 19th Annual SGT Nutter Run

Salutations,

On Saturday, June 17th, 2023, Class 66 of the New Jersey Army National Guard Officer Candidate School will host the 19th Annual Sergeant Nutter 5K Run. This event is organized by the SGT Sam Nutter Organization Inc (SSNO) in memory of the late SGT Samuel Nutter, to benefit the family of a NJ Army National Guard service member.

We are pleased to announce this year that we will be honoring SSG Jesse Smith of the NJ Army National Guard. In 2022, SSG Smith was found to have Multiple Sclerosis with lesions affecting several areas of his brain. Moreover, due to very quick progressions, he was immediately rendered unable to drive or work and needed to leave his home to move somewhere with assisted care and handicapped access. At this time, SSG Smith has no reasonable source of income. Thus, the proceeds of this event will go toward supporting the needs of SSG Smith and his family.

Please join us in honoring SSG Smith's family on June 17th, 2023. The 5K race will take place at the NJ Army National Guard Training Center in Sea Girt, New Jersey. On behalf of the SSNO, we encourage your support and thank you for being an invaluable part of this cause. You can participate by running in the race, donating, or becoming a sponsor for the event.

SSNO is a 501(c)3 non-profit organization and 100% of proceeds are donated.

Sincerely,

A handwritten signature in cursive script that reads "Jalen Williams".
