SUBJECT: Requesting your Generous Support for the 18<sup>th</sup> Annual SGT Nutter Run

Salutations,

On Saturday, June 18<sup>th</sup>, 2022, Class 65 of the New Jersey Army National Guard Officer Candidate School will host the 18<sup>th</sup> Annual Sergeant Nutter 5K Run. This event is organized by the SGT Sam Nutter Organization Inc (SSNO) in memory of the late SGT Samuel Nutter, to benefit the family of a NJ Army National Guard service member.

We are pleased to announce this year that we will be honoring SGT Eric Amador of the NJ Army National Guard's 63<sup>rd</sup> Army Band. In 2020, SGT Amador lost his loving wife, Kelly Figueroa, to a five-year courageous battle with cancer and Castleman disease. The proceeds of this event will go towards supporting the needs of the family's surviving children, Erik, Bruce & Logan Amador, one of which has been diagnosed with autism spectrum disorder.

Please join us in honoring SGT Amador's family on June 18<sup>th</sup>, 2022. The 5K race will take place at the NJ Army National Guard Training Center in Sea Girt, New Jersey. On behalf of the SSNO, we encourage your support and thank you for being an invaluable part of this cause. You can participate by running in the race, donating, or becoming a sponsor for the event.

SSNO is a 501(c)3 non-profit organization and 100% of proceeds are donated.

Sincerely,

*Robert Dienst*
